[00:41.85]At the History Museum  
[00:45.09]Many years ago,Shanghai was a small town.  
[00:53.26]Only a few thousand people lived here.  
[00:59.74]Many people were fishermen and farmers.  
[01:05.91]Today,Shanghai is a big city.There are many tall building.  
[01:16.36]More than thirteen million people live here.  
[01:22.91]They do many different jobs.  
[01:27.98]There are office workers,factory workers,builders,doctors and teachers.  
[01:42.35]The Shanghai History Museum tells the story of Shanghai.  
[01:50.97]In the muse-um,you can see an old village house,  
[01:58.33]and old boat and many other old things.  
[02:05.18]Look and say  
[02:10.53]Look!Hundreds of years ago,there were no tall buildings.  
[02:16.18]Yes.Today,there are a lot of tall buildings.  
[02:21.74]Hundreds of years ago,there was no traffic.  
[02:26.29]Shanghai was very quiet.  
[02:29.84]Today,there's a lot of traffic.Today,it's busy and noisy.  
[02:35.79]Look and read
